

June 3, 2005

ORGANIZATION: Nuclear Energy Institute

SUBJECT: SUMMARY OF MEETING BETWEEN THE U.S. NUCLEAR  
REGULATORY COMMISSION (NRC) STAFF AND NUCLEAR ENERGY  
INSTITUTE (NEI) TO DISCUSS SELECTED NEI COMMENTS  
SUBMITTED ON THE UPDATED LICENSE RENEWAL GUIDANCE  
DOCUMENTS

On May 16, 2005, the NRC staff met with the NEI and other industry representatives in a public meeting to discuss selected NEI comments submitted on the updated license renewal guidance documents (LRGDs) and the status of interim staff guidance (ISG) for license renewal. The list of attendees is provided in Enclosure 1, and the meeting agenda is provided in Enclosure 2.

The NRC staff provided an update on the schedule for the publication of the updated LRGDs. The NRC staff also presented the status and the staff resolution of the ISGs for license renewal. NEI indicated that it will update its NEI 95-10, Revision 5, and resubmit to the NRC for review. The NRC staff indicated that it should be submitted soon to support the LRGDs update schedule.

NEI and industry representatives provided additional justification associated with comments submitted by NEI in a letter dated April 1, 2005, on the updated LRGDs for the electrical, mechanical, and civil areas. This letter can be viewed through the Agencywide Documents Access and Management Systems (ADAMS) using Accession No. ML050950133. The NRC staff indicated that it is in the process of evaluating NEI comments, as well as other public comments, for the LRGDs update.

The NRC staff and NEI presentation slides can be viewed in ADAMS using Accession No. ML051430420. The ADAMS Public Electronic Reading Room is accessible from the NRC's Web site at <http://www.nrc.gov/reading-rm/adams.html>. Persons who do not have access to ADAMS, or who encounter problems in accessing the documents located in ADAMS, should contact the NRC's PDR Reference staff at 1-800-397-4209, or 301-415-4737, or by e-mail at [pdr@nrc.gov](mailto:pdr@nrc.gov).
